Brown, who was a member of the fire department of this city, was found laying beside a railroad track waiting for a freight train.

In a statement, according to the officers, he said he had planned the robbery of the bank because he was tired of living and had hoped that when he made his demand on the cashier that he would be killed, but that the cashier was more scared than he, so he took the money and ran into the woods, leaving the automobile in which he made the trip from Jackson to Clinton. According to the police, Brown guided them to where he had hidden the money and his revolver.

K. C. SIGNS ARMISTICE WITH MILK DEALERS

RANSAS CITY, Mo., July 28—Milk deliveries to Kansas City consumers were resumed today under a three-day armistice agreement, after a suspension of 24 hours because of differences between four of the largest dairy companies and city officials over the milk grading ordinance.

The dairy companies delivered milk in bottles with blank caps, without indicating the grade as provided in the ordinance, the point which caused stoppings of the supply yesterday.

Heads of the four companies were at therty on bond today after their arrest yesterday on warrants charging conspiracy to injure the public health.

GREEKS ARE WINNING **BLOODLESS VICTORIES**

Wallace Reid in "Sick Abed," now at the Strand has a novel method for determining whether or not you're in love. To do it scientifically, according to Wallace, you must get a stethosopethe instrument the doctor uses to count your heart beats. Place this apparatus over your heart and read the indicator. Then let the supposed object of your affections enter the room and stand very close to you. Again read the instrument. If it records a wild jump in your heart beats, you're elected!
